Ref.No.17847/2-E2 dated 6.4.53.

Sir,

Sub: Honorary Medical Officers - Government Headquarters Hospital, Mangalore - Appointment of Dr.Ramanna Hegde, Bakrabail as Honorary Assistant Medical Officer in the Venereal Diseases Department - Training of.

20225

Ref: G.O.Ms.No.3208 Health dated 13.10.1952. -M/P 594

In the Government Order cited, Dr.Ramanna Hegde Bakrabail,L.M.P., has been appointed to be Honorary Assistant Medical Officer(Junior) in the Venereal Diseases Department of the Government Headquarters Hospital,Mangalore and permitted to undergo special training in the Venereal Diseases Department of the Government General Hospital,Madras for a period of Six months. Dr.B.R.Hegde now represents that he had special training in Venereal Diseases in the Government Stanley Hospital,Madras in 1936 and that he has considerable proficiency in the speciality. He therefore requests that he may be allowed to undergo the training in the Government General Hospital,Madras only for a period of three months to keep himself upto-date. An extract of his letter dated 18.2.1953 is enclosed. The Dean, Government General Hospital who was also consulted in the matter is also of the opinion that a training for a maximum period of three months will be sufficient for the Honorary Assistant Medical Officer.

In the circumstances stated above, I recommend that the period of training of Dr.B.R.Hegde may be reduced from six to three months and necessary orders issued in the matter.

Yours faithfully,

NS/7/4 For Director of Medical Services.

Copy of letter dated 18.2.53 from Dr.B.R.Hegde, L.M.P., Honorary Assistant Medical Office (Junior), Government Headquarters Hospital,Mangalore., to the Director of Medical Services, Madras through the District Medical Officer, South Kanara,Mangalore.

Ref: G.O.Ms.No.3208 -M dated 30.10.52 -Execution of bond as per Rule 7 of Rules appended to G.O.No.3028 Public Health dated 22.4.1948.

According to the G.O. of appointment I had already joined duty as Assistant Medical Officer(Junior),Venereal Department, Government Headquarters Hospital,Mangalore, about three months ago.

The second paragraph of the order of appointment permits me to undergo special training at Government General Hospital,Madras for a period of Six months. As I am a medical practitioner in Mangalore for the last more than fifteen years and as I have also had special training in Venereology in the Government Stanley Hospital Madras in 1936, I had considerable proficiency in that speciality. However to keep myself upto-date I wish to undergo training and I am confident that a training for a maximum period of three months would suffice to acquaint myself with the modern lines of treatment etc. Moreover, having been a medical practitioner in Mangalore for the last fifteen years or more I have built up considerable standing practice and I feel that this circumstance will not permit me to absent myself from Mangalore for more than three months.

I therefore request that a period of training of only three months may kindly be deemed sufficient in my case. I have no objection to comply with other conditions of the bond which I have been asked to execute.
